

Top 6 Free YouTube Ripper Online

By downloading YouTube videos to local drive, people will be able to enjoy them offline. This guide gives six free YouTube rippers for free YouTube download.

Compared to traditional forms of videos such as TV and DVD, more and more people prefer to watch YouTube videos at the moment, which is free (mostly), always "on", more diversified and less restrictive. What's more, we can easily enjoy YouTube videos on a handy device, a smart phone or large-display tablet, as long as there is Internet connected while we have to stay at home to watch TV or DVD. As a result of the love for YouTube, many people are craving a way to watch YouTube videos as well when there is no Internet connection. This guide introduces top six free YouTube rippers (online), which makes it possible for you guys to free download YouTube videos to your computer/local storage.
